Study Skills in Spanish Class:

1. Did you study for our last test? _____.
2. How? _____

_____.
3. How long (minutes)? _____.
4. How long (number of days)? _____.
5. When? (night before, 2 days before, a little every day)?

6. What specifically did you do to study?

7. What *didn't you do* that you think might be effective next time?

8. Some people learn best by "talking it out" and practicing with someone else. Is there someone else in our class that did well on this test who you could schedule some time with to study for our next quiz or test? Please let me know who it is, and after you meet, let me know what you did to study.
9. Some people like doing activities on the computer. Please try going to the textbook resources page and the practice sites page on my website and try out some of the online practice activities there.
